Answer to the formal complain of pilot #22, Roy Gommer.

I have reconsidered your score and you are right I wrongly scored you. I should have scored you according the rule 13.3.6 Distance infringements, which says that

13.3.6 For competitors taking off too close to a goal or target, declaring a goal outside the limits specified in the TDS or otherwise abusing the set distance limits of a task, the penalty will be 2 task points per 0,1% infringement. Above 25% infringement the competitor will be scored in group B.

For Elbow, Angle and Land Run Tasks, the percent infringements will be the sum of the percent infringements of each 'leg', unless otherwise defined in the TDS.

A competitor penalized under this rule cannot achieve a score less than Group B as a result of the distance infringement penalty.

I will adjust the scores accordingly.
