

3rd FAI Woman's World Championships- Naleczow, Poland- August 7th AM

Synopsis: Winds will be from the west- northwest this morning. Models suggest the right turn will remain aloft; however, westerly flow will grow in depth from the surface through the morning. Near surface wind speeds will slow through the morning, as surface high pressure remains centered across far southern Poland.

Valid TAF:

EPLB-Lublin Svidnik (34 km SE) TAF EPLB 062330Z 0700/0709 VRB03KT CAVOK
